CLASS ACTION

FINAL AMENDED JUDGMENT AND ORDER OF DISMISSAL WITH PREJUDICE

This matter came before the Court pursuant to the Order Preliminarily Approving Settlement and Providing for Notice ("Order") dated March 16, 2015, on the application of the parties for approval of the settlement set forth in the Stipulation of Settlement dated as of February 8, 2015 (the "Stipulation"). Due and adequate notice having been given to the Class as required in said Order, and the Court having considered all papers filed and proceedings had herein and otherwise being fully informed in the premises and good cause appearing therefore, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED *nunc pro tunc* to July 30, 2015 that:

- 1. This Judgment incorporates by reference the definitions in the Stipulation, and all terms used herein shall have the same meanings as set forth in the Stipulation, unless otherwise set forth herein.
- 2. This Court has jurisdiction over the subject matter of the Litigation and over all parties to the Litigation, including all Members of the Class.
- 3. Pursuant to Federal Rule of Civil Procedure 23, the Court hereby approves the settlement set forth in the Stipulation and finds that:
- (a) said Stipulation and the settlement contained therein, are, in all respects, fair, reasonable, and adequate and in the best interest of the Class;
 - (b) there was no collusion in connection with the Stipulation;
- (c) the Stipulation was the product of informed, arm's-length negotiations among competent, able counsel; and
- (d) the record is sufficiently developed and complete to have enabled the Lead Plaintiff, Class Representative and the Defendants to have adequately evaluated and considered their positions.

- 4. Plaintiffs' unopposed motion to amend the Judgment to include four additional Persons who timely sought exclusion from the Class as part of this Judgment is granted and said Persons are now included in Exhibit 1 attached hereto.
- 5. Accordingly, the Court authorizes and directs implementation and performance of all the terms and provisions of the Stipulation, as well as the terms and provisions hereof. Except as to any individual claim of those Persons (identified in Exhibit 1 attached hereto) who have validly and timely requested exclusion from the Class, the Court hereby dismisses the Litigation and all Released Claims of the Class with prejudice. The Settling Parties are to bear their own costs, except as and to the extent provided in the Stipulation and herein.
- 6. Upon the Effective Date, and as provided in the Stipulation, Lead Plaintiff and the Class Representative shall, and each of the Class Members shall be deemed to have, and by operation of this Judgment shall have, fully, finally, and forever released, relinquished, and discharged any and all Released Claims (including Unknown Claims) against the Released Persons, whether or not such Class Member executes and delivers the Proof of Claim and Release form or shares in the Settlement Fund. Claims to enforce the terms of the Stipulation are not released.
- 7. Lead Plaintiff, Class Representative and all Class Members are hereby forever barred and enjoined from prosecuting any of the Released Claims against any of the Released Persons.
- 8. Upon the Effective Date, and as provided in the Stipulation, each of the Released Persons shall be deemed to have, and by operation of this Judgment shall have, fully, finally, and forever released, relinquished, and discharged Lead Plaintiff and the Class Representative, each and all of the Class Members, and Lead Plaintiff's counsel from all claims and causes of action of every nature and description (including Unknown Claims) whether arising under federal, state, common or

foreign law, that arise out of or relate in any way to the institution, prosecution, or settlement of the claims against Defendants, except for claims relating to the enforcement of the settlement.

- 9. The Notice of Proposed Settlement of Class Action given to the Class was the best notice practicable under the circumstances, including the individual notice to all Members of the Class who could be identified through reasonable effort. Said notice provided the best notice practicable under the circumstances of those proceedings and of the matters set forth therein, including the proposed settlement set forth in the Stipulation, to all Persons entitled to such notice, and said notice fully satisfied the requirements of Federal Rule of Civil Procedure 23 and the requirements of due process.
- 10. Any Plan of Allocation submitted by Lead Counsel or any order entered regarding any attorneys' fee and expense application shall in no way disturb or affect this Final Judgment and shall be considered separate from this Final Judgment.
- document executed pursuant to or in furtherance of the Stipulation or the settlement: (a) is or may be deemed to be or may be used as an admission of, or evidence of, the validity of any Released Claim, or of any wrongdoing or liability of the Defendants or their respective Related Parties, or (b) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of any of the Defendants or their respective Related Parties in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. The Defendants and/or their respective Related Parties may file the Stipulation and/or this Judgment from this action in any other action that may be brought against them in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any theory of claim preclusion or issue preclusion or similar defense or counterclaim.

12. Without affecting the finality of this Judgment in any way, this Court hereby retains continuing jurisdiction over: (a) implementation of this settlement and any award or distribution of the Settlement Fund, including interest earned thereon; (b) disposition of the Settlement Fund; (c) hearing and determining applications for attorneys' fees, expenses, and interest in the Litigation; and (d) all parties herein for the purpose of construing, enforcing, and administering the Stipulation.

13. The Court finds that during the course of the Litigation, the Settling Parties and their respective counsel at all times complied with the requirements of Federal Rule of Civil Procedure 11.

14. In the event that the settlement does not become effective in accordance with the terms of the Stipulation, or the Effective Date does not occur, or in the event that the Settlement Fund, or any portion thereof, is returned to the Defendants' insurers, then this Judgment shall be rendered null and void to the extent provided by and in accordance with the Stipulation and shall be vacated and, in such event, all orders entered and releases delivered in connection herewith shall be null and void to the extent provided by and in accordance with the Stipulation.

15. Without further order of the Court, the Settling Parties may agree to reasonable extensions of time to carry out any of the provisions of the Stipulation.

16. The Court directs immediate entry of this Judgment by the Clerk of the Court.

IT IS SQ ORDERED.

DATED: MIZ 28, 2015

THE HONORABLE ALVIN K. HELLERSTEIN
